WARRANTY MATERIALS

Buyer's Name: Thomas S Peterson Megan Peterson

New Address: 4843 4th St S, Moorhead, MN

Siding:

- Vinyl siding may warp or distort due to heat generated from window reflection and/or the absorption of heat. Darker siding colors will absorb more heat and soften before lighter colors.
- Red Leaf Custom homes will not warranty siding warping or distortion due to but not limited to, a heat source from a grill, fire, or reflection from windows, doors, or other objects.
- Vinyl siding may fade when exposed to the ultraviolet rays of the sun.
- Red Leaf Custom Homes will not warranty the warping and bowing of exterior products such as soffit, fascia, drip edge, and garage door wraps due to expansion and contraction. These materials will expand and contract as they react to climate and seasonal changes. Darker colored materials are more susceptible to warping and bowing.

Indoor Humidity Levels:

Buyer will be educated on maintaining the indoor environment. Maintaining the indoor humidity levels is extremely important to ensure your home acclimates properly. Red Leaf Custom Homes recommends this indoor humidity level to stay between 35-40%. Buyer agrees to ensure this indoor environment is maintained.

Floor Drain:

-Red Leaf Custom Homes provides a garage floor drain as a convenience to the homeowner. This is not a guarantee that all water will flow to the floor drain.
